Sir,

I have the honor to state that in Government Proceedings No. 1988-99 of the 15th May 1903, a grant of Rs2000/ was sanctioned for the year 1902-03 on account of advances to be made in urgent cases for Takavi and for incomplete Irrigation Wells and Land Improvements.

2. After ascertaining from the Amildars and the Assistant Commissioners, the number of urgent

urgent cases and the amount to be advanced in each of them, cheques amounting to Rs 1550/ were issued on the 16th and 20th ultimo and they were sent to the respective Taluks for payment to the parties concerned

3 The Amildar of Shellekere Taluk reported that out of 8 cheques issued for Rs 1100/ on account of advances to be made in his Taluk, only 4 cheques amounting to Rs 600/ were cashed on the 30th June 1903, and payments made to persons present on the said date, and that the remaining 4 cheques amounting to Rs 500/ were not cashed, since the parties named therein did not appear before the end of the official year

4 The Government Proceedings sanctioning the allotment in question having been received late in the year, i.e. on the 22nd May 1903, the period of 3 months allowed for payment in the case of these cheques extended to the current

current official year.

Consequently the Comptroller was asked to state whether the cheques in question, which were issued in urgent cases, may, under the above circumstances, be cashed in the current month, or, on any other date within the expiry of 3 months, which is the usual period of their currency, and the same debited as Special cases to the grant of the previous year. (1902-03)

6. In reply to the above, the Comptroller states that payments made in the current year cannot be charged to the grant of the previous year.

7. Out of Rs 2000/ sanctioned for the previous year, a balance of Rs 450/ still remains unpaid Thus, the total balance available out of the said grant amounts to Rs950/, including the sum of Rs 500/ for which cheques were issued, but not cashed for reasons stated above.

8 I, therefore, request that sanction may kindly be accorded to appropriate the above sum

sum of Rs 950/ for the current official year 1903-04 in order to meet demands only in urgent cases

9 A separate application will be made in due course as to what further allotment would be necessary for making advances during the current year 1903-04 in the cases of fresh applications received for loans.

10. I further request that in the statement of advances sent with this office docket No 43 of the 16th instant, the above sum of Rs 500/ may be denoted under the heads noted in the margin and the total sum of Rs 1550/ ~~~ altered to Rs 1050/.

× Rs 200. Takavi advances }
300. Advances for Irrigation Wells
Total 500 Rs

I have the honor to be
Sir,
Your most obedient Servant
K Ramsay
Deputy Commissioner.
